SEED DISTRIBUTION – 2016/17

Before ordering – please read the following carefully.

- ☆ Indicate by marking with a cross in the order column the seeds you require. If more than one packet of a particular species is requested, write the number of packets in the box.
- ☆ If a particular species is in short supply it may not be possible to supply more than one packet of that species to each applicant.
- ☆ The seed offered is obtained from a number of suppliers and listed under the identifications given by them. The Society regrets therefore that it cannot accept responsibility for incorrect names on the seed packets.
- ☆ We will endeavour to send you the seeds of your choice but please be aware that some species may be available only in very small quantities and substitutes or a credit note may have to be sent. **Please therefore tick one of the three boxes below:**

I have indicated acceptable substitutes by placing crosses in the substitute columns.

Please send substitutes of your own choice. No substitutes – Please send a credit note.

CACTI ONLY PLEASE

- ☆ Please add up the number of packets on each page in the spaces provided and calculate your remittance. **PLEASE CHECK THIS as errors will delay your order.**

☆ If you would like a copy of the BCSS Seed Raising information leaflet, please tick this box:

- ☆ **Please add £1.20 (£3.50 overseas airmail) to the total amount of your order towards the cost of post and packing and MAKE YOUR CHEQUE OR POSTAL ORDER PAYABLE TO BCSS.**

☆ Please allow 28 days for delivery before enquiring as interruptions to deal with enquiries whilst the Seed Distributor is packing orders only delay the work further!

☆ **Overseas Members only** please note:

- Payment may be made via PayPal using the link from the BCSS website: <http://www.bcss.org.uk>
- Before sending your order please satisfy yourself that the local Customs and Import Regulations permit entry of cactus and succulent seeds. The Society regrets that it cannot be held responsible for seeds that are confiscated.
- We regret that CITES Certificates cannot be supplied.

☆ Please order on this distribution list, which will be returned with your seeds.

☆ Further information and habitat details are available for many of the items on the BCSS website: <http://www.bcss.org.uk/seed.php>

☆ Please **print** your name and address in the space provided below and forward your completed form, plus remittance and postage, to:
