264 pluricentralis	

HOW TO APPLY FOR YOUR SEEDS

- (i) This order form is valid until 1st. September, 1981 only.
- (ii) Members may order up to 16 packets of seed from list A and 4 packets from list B, free of charge. Only 1 packet of any variety may be requested. Some seed, particularly on list B, is limited in numbers of packets available. Therefore we can only supply your full quota of packets whilst stocks last.
- (iii) A 14p stamp must be enclosed for inland postage. Overseas members should send 2 international postal reply coupons.
- (iv) Where postage is underpaid, fewer packets of seed will be sent to compensate for the additional expense.
- (v) Please underline on the list, the species that you require and tick (✓) any that you would like as substitutes in the event of your first choice being out of stock.
- (vi) Fill in your name and membership number on the form below and print your name and address on the gummed label provided.
- (vii) Send the label, this seed list and your stamp or coupons to:

Mrs. I. Boote,
 110, Mount Pleasant Road,
 Wallasey,
 MERSEYSIDE,
 L45 5HU,
 England.

(The list will be returned with the seeds)

NAME M. J. THEWLES

MEMBERSHIP NUMBER 2052

Please be patient, delays in dispatch of your seeds can occur, especially during the initial rush.

Kind regards
