

# THE NATIONAL CACTUS AND SUCCULENT SOCIETY

## PLEASE NOTE THAT:-

1. If at all possible you will receive the species you have ordered but some are only available in very limited quantities and substitutes may have to be sent.
2. All requests must be accompanied by your remittance and sent to the Seed Distributor.
3. Please write your name and address clearly in the appropriate space.
4. Do not send packing material, this will be supplied by the Society.
5. In view of the usual heavy rush there may be a little delay before you receive your seeds.
6. Please mark your substitutes with an "S".
7. Seeds donated by members are marked "M/S".
8. Order by number only. Enter your name and address on the gummed label.
9. Where the same number appears against two species the names are synonymous.
