

# THE NATIONAL CACTUS AND SUCCULENT SOCIETY

(V.A.T. Reg. No. 222 7985 47)

## NOTES :

1. If at all possible you will receive seeds of your first choice but some species are available only in small quantities and substitutes may have to be sent.
2. All requests should be made **immediately on receipt of the Journal** on the proper form and addressed to Mr C. Partington, 38 Kingsway, Worsley, Manchester, England, M28 4FD.
3. Order by number only and retain lists for reference. (Names as shown on the lists should be used for labelling etc. Minor variations on some seed packets should be ignored.)
4. Please PRINT name and address CLEARLY on order form. Do not send packing material; this will be provided by the Society. Don't forget to include 30p for postage and packing.
5. Because of the heavy initial demand and disruption of postal services over the Christmas period, **no orders will be dispatched before Jan. 4th.** In any case allow 28 days for delivery please.
6. **Overseas Members.** (a) In view of the high rates of Air Mail postage to countries outside Europe, seeds will be sent by Surface Mail unless sufficient self that the local Customs/Import regulations will permit entry of cactus and succulent seeds, as the Society cannot be responsible for seeds which are confiscated. (c) A representative selection of seed will be reserved for a reasonable time for overseas customers. (d) Phytosanitary certificates cannot be supplied.
7. **Special List.** To allow for a fair distribution only one packet per species can be supplied from the special list. This list contains more expensive seed and seed available only in small quantities.
8. Seeds on the special list are 20p per packet and on the other lists 15p per packet (incl. V.A.T.).
9. PLEASE NOTE THAT THE AVERAGE NUMBER OF SEEDS PER PACKET IS ABOUT 20 SEEDS EXCEPT ON THE SPECIAL LIST WHICH AVERAGES 10 SEEDS PER PACKET.

## SEED DISTRIBUTION - DECEMBER 1981

**Note :** The seed offered below is obtained from a number of sources and is listed here under the names given by the suppliers. The Society cannot accept responsibility for incorrect names on seed packets.
