

# THE NATIONAL CACTUS & SUCCULENT SOCIETY

Dear Fellow Member,

I am sure you will wish to join in this public expression of thanks to all those friends and members, at home and abroad, who have had the kindness to generously give, or otherwise help the Society to acquire, the undermentioned seed.

The small charge made is to cover ancillary expenses only.

Please note that :—

1.—If at all possible you will receive what you ask for but as some kinds are available in limited quantities only, substitutes may have to be sent.

2.—Although there is the very small charge of 4d. per packet to cover ancillary costs only, your minimum remittance should be 1/- (one shilling).

3.—All requests should be made out on this form and sent to Mr. L. Bulmer, "Stoneleigh", 86 Exley Road, Keighley, Yorkshire, and should be accompanied by your remittance and a stamped, self-addressed envelope together with some protective materials such as cotton-wool, soft corrugated paper, etc.

4.—In view of the usual rush demand there may be a little delay before you receive your seeds.

H. M. ROAN, *Hon. Secretary.*
